Sloped Wine Rack Assembly Instructions

1

STEP 1
Assemble the bottom metal frame on a flat surface.

2

STEP 2
Line up and insert the wood rack pieces into the metal frame. Use a rubber mallet to install into the metal cross frame.
Start from **the corner (the longest metal piece)**

3

STEP 3
Insert one section of the metal frame **only half way** down into the wood pieces.

4

STEP 4
Insert the 2nd section of the metal frame into the 1st and using a rubber mallet complete the installation into the wood slats.

5

STEP 5
The bottle neck protector snap onto the front side of the metal frame.
